MASTER SERVICES AGREEMENT

This Master Services Agreement (this "Agreement") is made and entered into as of March 1, 2025 (the "Effective Date") by and between Brightwater Analytics LLC, a limited liability company organised under the laws of the State of Delaware, having its principal place of business at 410 Quarry Lane, Wilmington, Delaware ("Provider"), and Halden Freight Systems, Inc., a corporation organised under the laws of the State of Texas, having its principal place of business at 77 Depot Road, Fort Worth, Texas ("Customer"). Provider and Customer are each referred to herein as a "Party" and together as the "Parties".

WHEREAS Provider is engaged in the business of supplying route-optimisation and demand-forecasting services; and WHEREAS Customer wishes to procure, and Provider wishes to supply, such services on the terms set out below; NOW, THEREFORE, in consideration of the mutual covenants herein contained, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties agree as follows.

ARTICLE 1. DEFINITIONS

1.1 "Affiliate" means, in relation to a Party, any entity that directly or indirectly controls, is controlled by, or is under common control with that Party, where control denotes ownership of more than half of the voting interests.

1.2 "Deliverables" means the reports, models, dashboards and other work product that Provider is obliged to furnish under a Statement of Work.

1.3 "Statement of Work" means a written description of Services, signed on behalf of both Parties, that refers to and is governed by this Agreement.

1.4 "Services" means the analytical, advisory and hosted services described in Article 2 and in each Statement of Work.

ARTICLE 2. SERVICES

2.1 Provider shall perform the Services with reasonable skill and care, in a professional and workmanlike manner, and in conformity with the specifications set out in the applicable Statement of Work.

2.2 Customer shall furnish, in a timely manner, such data, access and cooperation as Provider may reasonably require. Any delay attributable to Customer shall extend, day for day, the dates by which Provider is to perform.

2.3 Provider may engage subcontractors, provided that Provider shall remain responsible for their acts and omissions as though they were its own.

ARTICLE 3. FEES AND PAYMENT

3.1 In consideration of the Services, Customer shall pay to Provider a recurring fee of forty-eight thousand United States dollars (USD 48,000) per calendar month, together with such additional charges as may be specified in a Statement of Work.

3.2 Provider shall render invoices monthly in arrears. Each undisputed invoice shall fall due forty-five (45) days after the date on which it is received.

3.3 Amounts not paid when due shall bear interest at the rate of one per cent (1%) per month, or the highest rate permitted by law if lower, from the due date until the date of actual payment.

ARTICLE 4. TERM AND RENEWAL

4.1 Initial Term. This Agreement shall take effect on the Effective Date and, unless sooner terminated in accordance with Article 5, shall remain in full force until the third (3rd) anniversary of the Effective Date (such period of thirty-six (36) months being referred to herein as the "Initial Term").

4.2 Automatic Renewal. Upon the expiry of the Initial Term, and upon the expiry of each Renewal Period thereafter, this Agreement shall, without the necessity of any further act or instrument on the part of either Party, be renewed automatically for a further period of twelve (12) months (each such period, a "Renewal Period"), save where either Party has delivered to the other, not fewer than ninety (90) days prior to the last day of the Initial Term or of the then-current Renewal Period, as the case may be, a written notice declaring its intention that this Agreement not be so renewed.

4.3 The expiry or non-renewal of this Agreement shall be without prejudice to any right or remedy that has accrued to either Party before the date of expiry.

ARTICLE 5. TERMINATION

5.1 Either Party may terminate this Agreement by written notice if the other Party commits a material breach and, where the breach is capable of remedy, fails to remedy it within sixty (60) days after receiving written notice describing the breach in reasonable detail.

5.2 Either Party may terminate this Agreement forthwith by written notice if the other Party becomes insolvent, makes a general assignment for the benefit of creditors, or has a receiver appointed over substantially all of its assets.

5.3 Upon termination Customer shall pay all fees accrued up to the effective date of termination, and each Party shall return or destroy the Confidential Information of the other.

ARTICLE 6. CONFIDENTIALITY

6.1 Each Party shall hold in confidence all non-public information disclosed by the other in connection with this Agreement and shall use it solely for the purpose of performing or receiving the Services.

6.2 The obligations in this Article shall not apply to information that is or becomes public through no fault of the recipient, that was lawfully known to the recipient beforehand, or that is independently developed without reference to it.

6.3 The obligations in this Article shall survive for five (5) years following the expiry or termination of this Agreement.

ARTICLE 7. INTELLECTUAL PROPERTY

7.1 Each Party shall retain all right, title and interest in the materials, methods and know-how that it owned or developed independently of this Agreement.

7.2 Subject to payment in full, Provider grants to Customer a perpetual, non-exclusive, non-transferable licence to use the Deliverables for its internal business purposes.

ARTICLE 8. DATA PROTECTION

8.1 Provider shall implement and maintain administrative, technical and physical safeguards appropriate to the sensitivity of Customer data and shall notify Customer without undue delay upon becoming aware of any unauthorised access.

8.2 Provider shall process personal data only on the documented instructions of Customer and shall delete or return such data at the end of the Services.

ARTICLE 9. WARRANTIES

9.1 Each Party warrants that it has full power and authority to enter into and perform this Agreement.

9.2 EXCEPT AS EXPRESSLY SET OUT IN THIS AGREEMENT, PROVIDER MAKES NO WARRANTY OF ANY KIND, WHETHER EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.

ARTICLE 10. INDEMNIFICATION

10.1 Provider shall defend Customer against any third-party claim alleging that the Deliverables infringe a patent, copyright or trade secret, and shall pay the damages finally awarded or agreed in settlement.

10.2 The indemnified Party shall give prompt written notice of the claim, allow the indemnifying Party sole control of the defence, and provide reasonable assistance at the indemnifying Party's expense.

ARTICLE 11. LIMITATION OF LIABILITY

11.1 Exclusion of Certain Damages. Notwithstanding anything to the contrary herein, and to the fullest extent permitted by applicable law, in no event shall either Party be liable to the other, whether in contract, in tort (including negligence), for breach of statutory duty or otherwise, for any indirect, incidental, special, exemplary, punitive or consequential damages, or for any loss of profits, revenue, goodwill or anticipated savings, howsoever arising and even if that Party has been advised of the possibility thereof.

11.2 Aggregate Cap. Subject to Section 11.3, the total cumulative liability of each Party to the other arising out of or in connection with this Agreement, from all causes of action and under all theories of liability, shall not exceed, in the aggregate, the sum of five million United States dollars (USD 5,000,000).

11.3 Nothing in this Article shall exclude or limit the liability of either Party for fraud or fraudulent misrepresentation, for death or personal injury caused by its negligence, or for any other liability that cannot lawfully be excluded.

11.4 The Parties acknowledge that the fees have been set in reliance upon the allocation of risk in this Article, which forms an essential basis of the bargain.

ARTICLE 12. INSURANCE

12.1 Throughout the life of this Agreement Provider shall maintain, with insurers of good repute, professional liability insurance and cyber liability insurance, each with a limit of not less than three million United States dollars (USD 3,000,000) per occurrence, and shall furnish certificates upon request.

ARTICLE 13. FORCE MAJEURE

13.1 Neither Party shall be in breach by reason of any delay or failure caused by events beyond its reasonable control, including acts of God, war, epidemic, failure of public utilities or governmental action, provided that it notifies the other Party promptly and uses reasonable efforts to resume performance.

ARTICLE 14. GOVERNING LAW AND DISPUTES

14.1 This Agreement shall be governed by the laws of the State of Delaware, without regard to its conflict of laws rules.

14.2 The Parties shall first attempt in good faith to resolve any dispute by negotiation between senior executives. Failing resolution within thirty (30) days, the dispute shall be submitted to the state or federal courts located in New Castle County, Delaware.

ARTICLE 15. NOTICES AND GENERAL

15.1 Notices shall be in writing and delivered by hand, by recognised courier or by registered mail to the address stated above, and shall be deemed given upon receipt.

15.2 This Agreement, together with each Statement of Work, constitutes the entire agreement between the Parties with respect to its subject matter and supersedes all prior understandings. No amendment shall be effective unless in writing and signed on behalf of both Parties. Neither Party may assign this Agreement without the prior written consent of the other, such consent not to be unreasonably withheld.

IN WITNESS WHEREOF, the Parties have caused this Agreement to be executed by their duly authorised representatives as of the date first written above.
